PAPER TO PAPER COPY PRICES

Many of NCDC's non-digital products are priced based on the amount of paper that is to be copied. Although this pricing does not apply to publications, it does apply to copies of selected pages from publications whenever appropriate. It also applies to copies of Quality Controlled Local Climatological Data, Unedited Local Climatological Data forms and other commonly requested documents in the NCDC archives. To determine whether or not these fees apply to data products that meet your needs and to get a page-count estimate you may contact the NCDC using the address or one of the phone/fax numbers given above.
